

9 Steps to Marketing your BACON!

Class 100 121020

How do you stand out? How are you different than your competition? What is your brand? What made you fall in love with what you do?

Do you know what makes me different?

I don't give the same "cookie-cutter" marketing advice to every business that I help. Every business has unique needs. I want to know more about your Offering, your Customers, your Competition, and most importantly, your Inner BACON! (your passion). That "THING" that makes you UNIQUE!

You are a Professional and have spent years perfecting your skills. What do you do now? Do your potential customers really know what makes you Sizzle? Do your current customers know about everything in your Pan?

Success in Marketing does not have to be a mystery. Where are tomorrow's customers coming from? What are you doing to keep current customers close? How are you turning leads and referrals into prospects, and prospects into loyal customers?

business-owners grow their businesses, lessen stress, and fall in love with what they do, all over again.

You have an Accountant that does your taxes, a Mechanic that tends to your vehicle. And now you have a Friend that's going to guide you towards growth!

Are you ready to savor success?

The Master Happiness methodology is all about "Learning while Laughing." You will have fun but will be expected to actively participate in order to get the absolute most out of these sessions. Lessons are a combination of lecture, impromptu presentations, and some homework. The class size is extremely limited so that every attendee can get their individual questions and concerns answered.

This class is taught in 8 - 1 hour sessions. And like all educational presentations by Master Happiness, LLC, these sessions adjust based on the needs and progress of the participants.

Learn to promote your skills and separate yourself from the pack. Let's discuss Goals and Growth, Balance and Budgets, Strategies and Social Media.

I teach Virtual Hands-On Classes and all attendees walk away armed with the tools that they need to quickly and easily build a more successful business.

With over 30 years of Sales and Marketing experience, I have helped 100's of small
